

CERTIFICATE OF CONSTANCY OF PERFORMANCE

2204-CPR-0377.1

In compliance with *Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product

STRUCTURAL BEARING. ELASTOMERIC BEARING NR

Trade mark: TENS RUBBER NR

manufactured in Natural Rubber as the raw polymer with dimensions in plan
less than or equal to 1200x1200 mm
as laminated elastomeric bearing type B, C and laminated elastomeric bearing with flat sliding surface type E, in accordance with Table 2 of EN 1337-3, for minimum operating temperature of -25°C and maximum operating temperature +50°C (and for short periods up to +70°C)

Intended use: buildings and civil engineering works where requirements
on individual bearings are critical

Placed on the market by **TENSACCIAI S.r.l.**,
Head office: Via Pordenone 8, 20123 – Milan, ITALY,
and produced in the manufacturing plants detailed in the annex no. 1.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1337-3:2005

under system 1 for the performances set out in this certificate are applied and that the factory production control, conducted by the manufacturer is assessed to ensure the constancy of performances of the construction product.

This certificate was first issued on **24th November 2015** modified at **19th December 2018** and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

Executive Director,
Dipl.Eng. Genica ANTOHE

Professional Valuer,
Assoc.Prof.Dipl.Eng. Aurelia MIHALCEA, PhD

* This certificate is valid only together with annex.

19th December 2018
