

CERTIFICATE OF CONSTANCY OF PERFORMANCE

2204-CPR-0615.1

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction products Regulation or CPR), this certificate applies to the construction products

GUIDE and RESTRAINT BEARINGS

Trade name: **TENS SHEAR KEYS (TSK)**

manufactured using ferrous material and hard chromium plating/austenitic steel for the mating surface, not designed to carry vertical loads, as fixed or guided type, also combined as a single working unit with bearing in compliance with table 1 of EN 1337-1, with minimum operating temperature of -35°C and a maximum operating temperature of +48°C.

Intended use: buildings and civil engineering works where requirements on individual bearings are critical,

Placed on the market by **TENSACCIAI S.r.l**

Head office: Via Pordenone 8, 20123 – Milan, ITALY,

and produced in the manufacturing plants detailed in the annex no. 1.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1337-8:2007

under system 1 for the performances set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the constancy of performance of the construction products.

This certificate was first issued on 21st July 2017, modified at 19th December 2018 and will remain valid as long as neither the harmonised standard, the construction products, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

Executive Director,
Dipl.Eng. Genica ANTOHE

Professional Valuer,
Assoc.Prof.Dipl.Eng. Aurelia MIHALCEA, PhD

* This certificate is valid only together with annex.

19th December 2018
